

Meet the Booths

Booth Museum of Natural History, 75 mins, £4.50 per child

Meet Mrs. Booth as she shows you around the Museum, and explains her husband's passion for collecting British birds.

Find out why this was such important work a hundred years ago to the history of how we study animals. Help her sort and classify specimens.

Aims of the session

- To meet Mrs. Booth and find out more about her and Mr Booth's significant role in Brighton's history
- To understand more about the history of natural sciences
- To wonder at the Booth collections of International significance
- To be scientists looking, investigating and making deductions using scientific specimens
- To gain knowledge about the science of taxidermy
- To learn more about birds evolution and adaptations

- Please let us know of any SEND needs of your class before your visit
- Please ensure suitable adult supervision
